Protested Feb. 11, 1952 by Stephen Damele & Sons.

Protest overruled 8/12/63 APPROVAL OF STATE ENGINEER

See Ruling 622

This is to certify that I have examined the foregoing application,

and do hereby grant the same, subject to the following limitations and

conditions: This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of cattle served from the waters of this source. The State retains the right to regulate the use of the water herein granted

at any and all times but does not take responsibility for the use of the Federal range.

The amount of water to be appropriated shall be limited to the amount

which can be applied to beneficial use, and not to exceed 0.047

cubic feet per second., or sufficient water to water 5,000 sheep and 500 head of cattle.

Actual construction work shall begin on or before March 17, 1964

Proof of commencement of work shall be filed before April 17, 1964

Work must be prosecuted with reasonable diligence and be completed on or

before March 17, 1965

Proof of completion of work shall be filed before April 17, 1965

Application of water to beneficial use shall be made on or before

March 17, 1966. Proof of the application of water to beneficial

use must be filed with State Engineer on or before April 17, 1966
